The Impeachment of Abraham Lincoln Stephen L. Carter 2013-04-09 From the author of the bestsellers *The Emperor of Ocean Park* and *New England White*, an electrifying and provocative historical novel set in an alternate history in which Abraham Lincoln survives assassination at Ford's Theatre on April 14, 1865. In this gripping legal and political thriller, Stephen L. Carter imagines what might have happened if Lincoln had lived to face the tumultuous post-war politics of 1865 Washington, D.C., including an impeachment trial for overstepping his Constitutional authority during the Civil War. At the novel's center is Abigail Canner, a young black woman recently graduated from Oberlin, who is hired by the D.C. law firm that is working on Lincoln's defense. When one of Lincoln's lead lawyers is found brutally murdered, Abigail is plunged into a web of intrigue, politics, and conspiracy.

Abraham Lincoln and a New Birth of Freedom Howard Jones 2002-04-01 In *Abraham Lincoln and a New Birth of Freedom*, Howard Jones explores the relationship between President Lincoln's wartime diplomacy and his interrelated goals of forming a more perfect Union and abolishing slavery. From the outset of the Civil War, Lincoln's central purpose was to save the Union by defeating the South on the battlefield. No less important was his need to prevent a European intervention that would have facilitated the South's move for independence. Lincoln's goal of preserving the Union, however, soon evolved into an effort to form a more perfect Union, one that rested on the natural rights principles of the Declaration of Independence and thus necessitated emancipation.

Neo-Feminist Cinema Hilary Radner 2010-11-01 What lies behind current feminist discontent with contemporary cinema? Through a combination of cultural and industry analysis, Hilary Radner's *Neo-Feminist Cinema: Girly Films, Chick Flicks and Consumer Culture* shows how the needs of conglomerate Hollywood have encouraged an emphasis on consumer culture within films made for women. By exploring a number of representative "girly films," including *Pretty Woman*, *Legally Blonde*, *Maid in Manhattan*, *The Devil Wears Prada*, and *Sex and the City: The Movie*, Radner proposes that rather than being "post-feminist," as is usually assumed, such films are better described as "neo-feminist." Examining their narrative format, as it revolves around the story of an ambitious

unmarried woman who defines herself through consumer culture as much as through work or romance, Radner argues that these films exemplify neo-liberalist values rather than those of feminism. As such, Neo-Feminist Cinema offers a new explanation as to why feminist-oriented scholars and audiences who are seeking more than "labels and love" from their film experience have viewed recent "girly films" as a betrayal of second-wave feminism, and why, on the other hand, such films have proven to be so successful at the box office.

The Song of the Lark Willa Cather 2020-12-08 Born in a small Colorado town, Thea Kronborg's aspirations to be a famed musician makes it difficult for her to fit in. With the reputation of being different and strange, Thea has a challenging time getting along with her siblings and peers, though her mother and Aunt are supportive of her dreams. When Thea's piano instructor is run out of town over a scandal, Thea takes over his business at age fifteen. She is also forced by her father to play the organ at their church because he believes this new devotion to a job would make her less pious. Despite her new jobs and outlet for her musical ability, Thea feels unsatisfied in Colorado, but when tragedy strikes, she finally gets an opportunity to chase her dreams. After the death of a local conductor that had been enamored by her, Thea inherits enough money to pursue a formal music education in Chicago. During her piano training, and with the help of some of her Chicago friends and mentors, Thea realizes that she has an impressive singing voice. After feeling inspired by a visit to the orchestra, Thea decides to pursue a career as an opera

singer. With a new dream and drive, Thea struggles to achieve her goals without compromising her values and independence. Willa Cather's *The Song of the Lark* breaks the conventions of its time with the depiction of an independent woman protagonist with aspirations outside of the home. Cather also challenged the typical depiction of small-town country life by presenting realities such as the common uniformity and intolerance sometimes expressed within rural communities. *The Song of the Lark* remains to be a fascinating look into 19th century rural life, with an unadulterated view on the journey of an artist. This edition of *The Song of the Lark* by Willa Cather is accommodating to a contemporary audience with a modern font and stunning new cover design.

Albion's Seed David Hackett Fischer 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national

politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Eight Hundred Grapes Laura Dave 2015-06-02 FROM THE AUTHOR OF THE NEW YORK TIMES BESTSELLER THE LAST THING HE TOLD ME Heralded as "impossible to put down" (Elle), and named a Best Book of the Summer by Glamour, Good Housekeeping, Cosmopolitan, Elle, Marie Claire, and Us Weekly, *Eight Hundred Grapes* is a heartbreaking, funny, and deeply evocative novel about love, marriage, family, wine, and the treacherous terrain in which they all intersect. There are secrets you share, and secrets you hide... What if your beloved fiancé, he of the crinkly smile and irresistible British accent, had kept a life-changing secret from you? And what if, just a week before your dream wedding, you discovered it? Georgia Ford, bride-to-be, hops in her car and drives through the night, from Los Angeles to Sonoma, to her safe haven: her family, and the acclaimed family winery. Georgia craves the company of those who know her best, and whom she truly knows. Better yet, it's the eve of the last harvest—the best time of the growing season, and Georgia knows she'll find solace—and distraction—in

the familiar rituals. But when Georgia arrives home, nothing is at all familiar. Her parents, her brothers, the family business, are all unrecognizable. It seems her fiancé isn't the only one who's been keeping secrets... *Eight Hundred Grapes* is a story about the messy realities of family, the strength (and weaknesses) of romantic love, and the importance of finding a place to call home. "This winning tale will both satisfy on a literary level and encourage oenophiles to pour themselves a glass of a recent vintage to enjoy while reading; it's a tasty treat for wine lovers and teetotalers alike" (Publishers Weekly). You won't be able to put this "addictive" (Us Weekly) novel down.

The Swan Gondola Timothy Schaffert 2015-02-03 For readers of *Water for Elephants* or *The Night Circus*, a lush and thrilling romantic fable about two lovers set against the scandalous burlesques, midnight séances, and aerial ballets of the 1898 Omaha World's Fair. On the eve of the World's Fair, Ferret Skerritt, ventriloquist by trade, con man by birth, is unsure how the fair's events will change him or his city. Omaha still has the marks of a filthy Wild West town, even as it attempts to achieve the grandeur and respectability of nearby Chicago. But when he crosses paths with the beautiful and enigmatic Cecily, his purpose shifts, and the fair becomes the backdrop to their love affair. One of a traveling troupe of actors that has descended on the city, Cecily works in the Midway's Chamber of Horrors, where she loses her head hourly on a guillotine, playing Marie Antoinette. And after closing, she rushes off, clinging protectively to a mysterious carpetbag, never giving Ferret a second glance. But a moonlit ride on the swan gondola, a boat on the lagoon of the New White City, transforms everything when the fair's magic begins to take its effect.
