The Greatest Battle Andrew Nagorski 2008 ‘A new and beautifully researched account of what had been a poorly understood part of the war’ New York Review of Books ‘A fine diplomatic and military history, but its real triumph is in the voices of the survivors of the Battle of Moscow’ Washington Post The Battle for Moscow, which took place from September 1941 to April 1942, */mec Events/fall Ing In Love Bridal Expo La Vista Nebraska/ upload Betty m Paterson*

was the biggest battle of World War II – indeed, the biggest battle of all time. Seven million troops were involved. The combined losses of both sides amounted to 2.5 million men – 2 million on the Russian side. Even Stalingrad, immortalised in Antony Beevor’s classic work, involved half as many troops and less than half as many losses. But most of all, this battle turned the course of the whole war. Soviet Union, and hoped for a swift victory. Had Moscow fallen, Hitler might have won the war - but in the bitter winter the Soviet army held the Germans back. But Stalin committed huge strategic blunders - initially refusing to arm his troops after Hitler sent his troops east without winter clothing - and his reign of terror caused mass looting in Moscow and the flight of half its citizens. As a result the Soviets suppressed the full story of the battle, and only now have the secret archives been declassified for Andrew Nagorski to tell the full story. Anyone gripped and astounded by Stalingrad will find this an amazing

account of privation and attrition on an unimaginable scale. Andrew Nagorski is a senior editor at Newsweek International. He served two tours as Moscow bureau chief, and won awards for his foreign reporting. He lives in New York.

The Soulful Seeker Punam Chadha-Joseph When writer-poet Punam Chadha-Joseph took to the pen, to give expression to the scale of emotions she went through in a single day, what emerged over time was a cyclical play of love, joy, wonder, peace, anger, courage, sadness, fear and even despair in varying intensities. Having always been forthright, outspoken and a nonconformist, conventional morality was open for debate as was gender stereotyping. The writer-poet's enquiry into matters philosophical and comical,

culminated in *The Soulful Seeker*, a moving collection of poems that resonates our aspirations, hopes, longings and disappointments, and above all, our ever-changing notion of ideality. A delightful read indeed! “A good poet’s task is to provoke thought through simple language. For, translating Descartes, I think, therefore I am. Doing this is not easy. Punam, however, does it simply and well. Do read her poems and you will find yourself thinking. And equally importantly, often find yourself smiling too. For as she rightly says, there are ‘little bubbles of happiness that (we) often forget to see’.” Amish

Tripathi, award-winning author, *The Shiva Trilogy* and *Scion of Ikshvaku* “A delicate rhythmic journey laced with clarity and elegance, the warmth of Punam’s persona reflects beautifully in this collection. I’m sure it will engross every reader who is ‘A Soulful Seeker’!” Padma Shri Praseon Joshi, National Award-winning poet, song-writer, screen-writer & advertising legend. After completing her Bachelor’s in Economics (Honours) from St. Xavier’s College, Mumbai, Punam Chadha-Joseph joined the prestigious Oberoi School of Hotel Management in Delhi to do her post-graduation. In the course of her work-

life, she met her husband Sabbas Joseph, the Founder-Director of Wizcraft, India's pioneer Event Management agency. The Soulful Seeker is her first book of poems, and she is ready with another one, especially written for children, based on appreciating and saving the environment. Sketching being a new hobby, she has incorporated many of her sketches in The Soulful Seeker, including the very striking visual on the cover. Talking Points - Foreword by National Award-winning actress and activist Shabana Azmi - Endorsed by bestselling author Amish Tripathi, Padmashri and National Award-winning poet and

lyricist Prasoon Joshi, National-Award winning director, Rakeysh Omprakash Mehra, and popular Bollywood actress Sonakshi Sinha among others - Debut collection of poems by artist-writer Punam Chadha-Joseph - Accompanied by Punam Chadha-Joseph's beautiful artwork
The Logic of Practice Pierre Bourdieu 1990 Our usual representations of the opposition between the "civilized" and the "primitive" derive from willfully ignoring the relationship of distance our social science sets up between the observer and the observed. In fact, the author argues, the relationship between the anthropologist and his

object of study is a particular instance of the relationship between knowing and doing, interpreting and using, symbolic mastery and practical mastery. For between logical logic, armed with all the accumulated instruments of objectification, and the universally pre-logical logic of practice. In this, his fullest statement of a theory of practice, Bourdieu both sets out what might be involved in incorporating one's own standpoint into an investigation and develops his understanding of the powers inherent in the second member of many oppositional pairs. That is, he explicates how the practical concerns of

daily life condition the transmission and functioning of social or cultural forms. The first part of the book, "Critique of Theoretical Reason," covers more general questions, such as the objectivization of the generic relationship between social scientific observers and their objects of study, the need to overcome the gulf between subjectivism and objectivism, the interplay between structure and practice (a phenomenon Bourdieu describes via his concept of the habitus), the place of the body, the manipulation of time, varieties of symbolic capital, and modes of domination. The second part of the book,

"Practical Logics," develops detailed case studies based on Bourdieu's ethnographic fieldwork in Algeria. These examples touch on kinship patterns, the social construction of domestic space, social categories of perception and classification, and ritualized actions and exchanges. This book develops in full detail the theoretical positions sketched in Bourdieu's Outline of a Theory of Practice. It will be especially useful to readers seeking to grasp the subtle concepts central to Bourdieu's theory, to theorists interested in his points of departure from structuralism (especially from Lévi-Strauss), and to

critics eager to understand what role his theory gives to human agency. It also reveals Bourdieu to be an anthropological theorist of considerable originality and power.

Twelve Years A Slave, Illustrated Edition

Solomon Northup 2014-04-08 Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on

Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

articles on the subordinate position of women in two communist countries, Cuba and China. These important, often path-breaking articles are arranged in five basic sections, the titles of which indicate the broad range of issues being considered: Introduction; motherhood, reproduction, and male supremacy; socialist feminist historical analysis; patriarchy in revolutionary society; socialist feminism in the United States. The underlying thrust of the book is toward integrating the central ideas of radical feminist thought with those pivotal for Marxist or socialist class analysis.

Granada Radwa Ashour 2003-10-01 Radwa

Ashour skillfully weaves a history of Granadan

rule and an Arabic world into a novel that evokes cultural loss and the disappearance of a vanquished population. The novel follows the family of Abu Jaafar, the bookbinder his wife, widowed daughter-in-law, her two children, and his two apprentices as they witness Christopher Columbus and his entourage in a triumphant parade featuring exotic plants and animals and human captives from the New World. Embedded in the narrative is the preparation for the marriage of Saad, one of the apprentices, and Saleema, Abu Jaafar's granddaughter a scenario that is elegantly revealed in a number of parallel scenes.

As the new rulers of Granada confiscate books and officials burn the collected volumes, Abu Jaafur quietly moves his rich library out of town. Persecuted Muslims fight to form an independent government, but increasing economic and cultural pressures on the Arabs of Spain and Christian rulers culminate in Christian conversions and Muslim uprisings. A tale that is both vigorous and heartbreaking, this novel will appeal to general readers of Spanish and Arabic literature as well as anyone interested in Christian-Muslim relations.
