*North Omaha History* Adam Fletcher Sasse  
2016-10-15 This book features powerful content about the rich, diverse history of a predominantly low-income, African American community in the Midwest. It includes stories about individuals, events, and places that made the community awesome and continue to influence it more than 150 years after it was founded.

*Omaha "The Gate City of the West"* Omaha World-Herald (Firm) 1900\*

*Omaha Memories* Edward Francis Morearty  
2012-08-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

**The Omaha** Madelyn Klein Anderson 2000  
Examines the culture of the Omaha Indians, from their life in North America before the Europeans' arrival to the present day.

**Reading Group Choices** Reading Group Choices 2008

hardbound display box. A perfect gift and a fantastic addition to any home or office, the Omaha, Times Remembered collectors set is a true Omaha gem! Price: \$90.00 (plus \$4 S&H. **Nebraska's Bucks and Bulls** Joel W. Helmer 2020-10 Eclipsing Memorial Stadium on a Husker football game day, deer season is arguably the largest single sporting event of the year in Nebraska, with more than one hundred thousand hunters going afield with the hopes of tagging a trophy buck or bull. Nebraska's Bucks and Bulls tells the stories and shares the photographs of the greatest whitetail, mule deer, and elk shot in Nebraska. Collected through firsthand interviews with the hunters, these personal hunting stories span the decades from the mid-1940s through the 2010s. Each story shares the excitement and adventure of the hunt while weaving in Nebraska history, ecology, and geography. Photographs of the trophy animals showcase not only the quality and variety of big-game hunting in Nebraska but also the changes in hunting clothes, gear, guns, and vehicles through the state's history. Recounted by Joel W. Helmer, an avid hunter and official measurer for the Boone and Crockett Club, which created the scoring system for measuring North American big-game animals, each chapter tells the story of a buck or bull certified through official state or national records books. Nebraska's Bucks and Bulls has finally gathered the state's greatest hunting tales in one place.

*History Lover's Guide to Omaha* Eileen Wirth 2021-07-12 In Omaha, an evening stroll can provide passage into a fascinating past. Travel from a madam's elaborate grave in North Omaha to the site of the first U.S. airmail flight in Aksarben. Chase down the echoes of a Duke Ellington performance at the Dreamland Ballroom in the Jewell Building. Stow away on a tour that treats the whole city like a museum. Colorful street murals and Gilded Age mansions stand in as exhibits alongside the more traditional offerings of state markers and archival collections. Gain fresh appreciation for familiar landscapes and famous landmarks as Eileen Wirth and Carol McCabe move through Omaha neighborhood by neighborhood.

*Omaha and Council Bluffs* 2008 Omaha-Council Bluffs Yesterday and Today is a beautiful two color hard bound book featuring 110 historic black and white scenes rephotographed in 2008. A wonderful look at how two Midwestern river cities have evolved over the years. A must have for anyone who has ever lived in Omaha or Council Bluffs. Compiled by Kristine Gerber producer of the Nebraska best-selling and award-winning Omaha, Times Remembered books, Building for the Ages, Omaha's Architectural Landmarks and the Toast to Omaha, Junior League of Omaha cookbook.

**The Gate City** Lawrence Harold Larsen 1997-01-01 "Lawrence Larsen and his wife Barbara Cottrell have written a marvelous urban biography. They have done what other historians often fail to do--relate local happenings to the larger regional and national picture. And Larsen and Cottrell have skillfully used sophisticated historical works and concepts, incorporating them in an understandable fashion. Throughout this book the authors write in a delightful manner; they make you want to visit Omaha!"--North Dakota History. "[The authors] organize their splendid urban biography around a limited number of events of national magnitude. The husband-wife team take as their story's major units the building of the transcontinental railroad, the penetration of the Great Plains by homesteaders, the establishment of the meat packing industry, and the creation of an

elaborate national defense system. They fill in their story with intriguing descriptions of the push-and-pull factors that brought diverse ethnic groups to Omaha in the years since 1854--the years when town promoters first settled at the Missouri River ferry landing in the newly established Nebraska territory. Because their narrative is so well organized, their treatment of political, social, and cultural affairs is clear and cohesive, while their discussion of urban unrest, vice, and crime remains tightly linked to the general outlines of their lively portrait of Omaha's history."--Business History Review. Lawrence H. Larsen is a professor of history at the University of Missouri?Kansas City. He is the author of *The Urban South: A History* (1990), *Federal Justice in Western Missouri: The Judges, the Cases, the Times* (1994), and other books. Barbara J. Cottrell is a historian with the National Archives?Central Plains Region. Harl A. Dalstrom is a professor of history at the University of Nebraska at Omaha.

**Omaha** Omaha (Neb.) 1890

**Welcome to Omaha** Oliver B. Pollak 2018 Millions of people traveling America's railroads and highways pass through Omaha, breaking for an overnight stay. At the end of the day, the traveler's experience is in the hands of transportation workers, hoteliers, and restaurateurs who promise comfort, food, and safety. Omaha's hospitality industry offerings ranged from the modest Scandinavian Young Women's Christian Association and the Hotel Harley bachelor lodgings to the lofty Fontenelle and Blackstone Hotels. The resilient Paxton has been a fixture since 1882. Visitors to Omaha took in the bright lights and culture, documenting their impressions on postcards that picture the city's hotels, restaurants, train depots, bridges, and weather events.

Omaha Impressions 2008-03 Omaha Impressions won second place in the Midwest Travel Writers Association's 2008 Mark Twain Awards.

*Lost Omaha* Janet R. Daly Bednarek 2018-04-30 The landmarks of Omaha's past reveal a history of industry, innovation and change. The Hotel Fontenelle, the Omaha Athletic Club and the Medical Arts Building disappeared in the wake of changes remaking downtown after World War II. Jobbers Canyon, a vital part of the city's wholesale district, was sacrificed to ConAgra's headquarters. Peony Park closed as suburban

sprawl prevented its expansion, and changing leisure patterns took residents farther away for their amusement park experience. The stockyards finally closed in 1999, ending a long chapter in Omaha's history. Author and historian Janet R. Daly Bednarek charts the legacy of Omaha's lost history through its landmarks.

**Betraying the Omaha Nation, 1790-1916**

Judith A. Boughter 1998 Traces the history of the Omaha Indians from 1790, through the years under Chief Black Bird, to their confinement to a reservation in the 1850s and the loss of most of their land in 1916

Omaha Arthur Cooper Wakeley 1917

*Omaha, Nebraska* Omaha (Neb.). Bureau of Publicity 1918

**Omaha** Omaha World-Herald (Firm) 2000-11-01 The sequel to the award-winning original features 300 all new black and white photographs of Omaha from the 1870s through the 1970s. The 176-page hardbound book is a great gift for relatives, clients, friends and special employees.

**North Omaha History** Adam Fletcher Sasse 2016-11-01 In the third book of the North Omaha History Series, Adam Fletcher Sasse reveals a lot of the hidden, denied and neglected history of one of the oldest areas of Nebraska's largest city. Highlighting the predominantly African American community and other ethnic groups, he introduces some intriguing characters and important businesses that made North Omaha great. He reveals the role of transportation in the area by examining the history of several streets, including the culture and figures in the areas around them. He details the roles of North Omaha's extensive boulevard system that weaves together neighborhoods and connects the community to the rest of the city, as well as looks at the historic Belt Line Railway that used to encircle the area. In the next section, Fletcher Sasse conducts a community-wide exploration of architecture in North Omaha. He reveals the basics about the neighborhood, and then plunges deep into the apartments, homes, neighborhoods and other institutions that make the historic preservation movement so important to the community. He details several important districts and shines a light on the oldest houses in North Omaha, too. Then, he tells the missing history of a dozen mansions and estates that once occupied the area. The final section of the book is

a massive timeline of birthdates for the many of the most important people in North Omaha history, including athletes, entertainers, politicians, leaders and others. The book finishes with a bibliography and comprehensive index.

**Secret Omaha: A Guide to the Weird, Wonderful, and Obscure** Ryan Roenfeld

2021-05-15 How did Omaha get its nickname, "The Gateway to the West" and where can you gawk at the footsteps of the first human to walk in space? Just scratch the surface of a city best known for Warren Buffett, college baseball, and a great zoo and find far more than meets the eye. And Secret Omaha: A Guide to the Weird, Wonderful, and Obscure is just the book you'll need to uncover all the stories of Nebraska's lone metropolis. Omaha rises up out of the low broken bluffs along the west bank of the Missouri River and sprawls west across what was once the prairie grasslands of the Great Plains. The buffalo wallows have been replaced by a more urban mix of grit and gentrification, with tree-lined avenues, boulevards, and varied communities that hold on to their heritage for generations. There's a giant fork in Little Italy and stories told in stone around what was the world's largest livestock market. There's an old blues song by Big Joe Williams about an Omaha intersection that's now on the National Register, and Irish Nationalists erected a grand monument to the Fenian who invaded Canada twice. Anyone in Omaha can take a gander at Goose Hollow or visit a haven for herons, but now author and Omaha enthusiast Ryan Roenfeld takes you on your own behind-the-scenes tour of the Big O. With his book as your guide, you'll discover a whole new side to the city that's inspired him for years.

**History of the City of Omaha, Nebraska**

James Woodruff Savage 2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Omaha: America's Hometown** Scott John Peck 2017-11-20 Omaha: America's Hometown is a collection of essays that describe historical events and people from Omaha and how these people affected the overall history and culture of the United States. From America's victory in WWII to the formation of Hollywood, California as a media center, Omaha has played a part. There are dozens of different stories that cover many parts of American History but what they all have in common are their connection with Omaha, Nebraska. Discover how Omaha won WWII. Learn how Rock and Roll was made possible due to events in Omaha. The Walt Disney Company started in Kansas City, Missouri but owes so much to the smaller city lying just three hours upstream. Las Vegas was just a dusty crossroads in the desert until Omaha offered its talent to the mix and today it is a world icon. Learn why the Omaha metro is the reason the video game console became ubiquitous in America! In the end, you will understand why Omaha IS America's Hometown

**History of Nebraska, Fourth Edition** Ronald C. Naugle 2014-11-30 History of Nebraska was originally created to mark the territorial centennial of Nebraska and then revised to coincide with the statehood centennial. This one-volume history quickly became the standard text for the college student and reference for the general reader, unmatched for generations as the only comprehensive history of the state. This fourth edition, revised and updated, preserves the spirit and intelligence of the original. Incorporating the results of years of scholarship and research, this edition gives fuller attention to such topics as the Native American experience in Nebraska and the accomplishments and circumstances of the state's women and minorities. It also provides a historical analysis of the state's dramatic changes in the past two decades.

**Omaha** Rob Levin 2005

*History Lover's Guide to Omaha, A* Eileen Wirth and Carol McCabe 2021 In Omaha, an evening stroll can provide passage into a fascinating past. Travel from a madam's elaborate grave in North Omaha to the site of the first U.S. airmail flight in

Aksarben. Chase down the echoes of a Duke Ellington performance at the Dreamland Ballroom in the Jewell Building. Stow away on a tour that treats the whole city like a museum. Colorful street murals and Gilded Age mansions stand in as exhibits alongside the more traditional offerings of state markers and archival collections. Gain fresh appreciation for familiar landscapes and famous landmarks as Eileen Wirth and Carol McCabe move through Omaha neighborhood by neighborhood.

**My Omaha Obsession** Miss Cassette 2020-11 My Omaha Obsession takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people—celebrating the city's unusual and overlooked history

**Early History of Omaha** Alfred Rasmus Sorenson 1876

**Upstream Metropolis** Lawrence H. Larsen 2007-06 From its birth as interdependent towns on the Missouri River frontier to its emergence as a metropolis straddling two states, Omaha-Council Bluffs has been one of the great urban construction projects in the nation's history. Upstream Metropolis provides the first comprehensive history of this unique urban region that ranks 60th among the 370 major metropolitan areas in the United States. Drawing on local newspapers and historical archives, the authors deliver an anecdote-rich account of how and why a large metropolitan area developed in this spot. They also explain why it grew so big—and no bigger—but could never have remained two small towns. Upstream Metropolis is an urban biography of the highest order, tracing the lives of two cities, which though divided by a river, the problems of a state line, and inevitable rivalry, have always been inextricably linked. This discussion moves from the freewheeling frontier days to the times of farming and railroads, examining influences such as the populist movement, the meatpacking industry, immigration, and ethnicity. The highly readable result is a pioneering contribution to the history of urbanization in America.

**Lost Treasures of Omaha** Tim And Lisa Trudell 2023-04 Omaha is many things: "the Gateway to the West"; the home to Indigenous peoples, from the Otoe, Pawnee, and Omaha nations; a place for Euro-American expansion and immigrant

Downloaded from  
[dreamdressexpress.com](https://dreamdressexpress.com) on September

dreams; the home of Warren Buffet. *Lost Treasures Omaha* celebrates the city with nearly 300 entries, ranging from restaurants you knew and loved, like Rose Lodge and its famous fried chicken or Fair Deal Café, the de facto city hall of the Northside, to theaters, drive-ins, and hangouts of days past to Omaha's icons and curiosities, and plenty in between. What makes a *Lost Treasure*? It's always in the eye--or the memory--of the beholder, but Tim and Lisa Trudell highlight places that bring back fond memories and played major roles in the city's growth. Having written three books about Omaha and Nebraska, Tim and Lisa have learned more about the city they love and call home than they could have ever imagined.

### **History of the City of Omaha, Nebraska**

James W. Savage 1976

**History of Omaha** Alfred Sorenson 2017-10-21 Excerpt from *History of Omaha: From the Pioneer Days to the Present Time* It will be noticed that the chroniclers used the word South, when it

should have been west, and north when it should have been east, with reference to the river as it runs past Omaha. This is easily accounted for by the fact that in those days the Missouri river was generally supposed to run east and west, or nearly so. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. ### *The African American Baseball Experience in Nebraska* Angelo J. Louisa 2021-02-12

Nebraska is not usually thought of as a focal point in the history of black baseball, yet the state has seen its share of contributions to the African American baseball experience. This book examines nine of the most significant, including the rise and fall of the Lincoln Giants, Satchel Paige's adventures in the Cornhusker State, a visit from Jackie Robinson, and the maturation of Bob Gibson both on and off the field. Also, recollections are featured from individuals who participated in or witnessed the African American baseball experience in the Omaha area.
